# PRESIDENTS REPORT

The best laid plans failed last weekend with the rains opening up and postponing our outdoor cinema night. A new date will be organised soon with details sent out shortly - thank you for your understanding.

Last weekend I had the privilege of watching our U/8 team run out together for their first game of football. It was indeed wonderful to see the enthusiasm, energy and sheer enjoyment evident - on both players and parents!!!! A wonderful experience to see a team come together, play so well and really embrace community sport. Thank you to the parents, coaches and officials for so readily entering into the spirit of our club.

At the other end of the scale I saw the first game of our U/18 girls. Playing against seasoned opposition was not the plan for their first game but I am pleased to say the girls represented our club and themselves with unbridled enthusiasm. When our first goal was recorded the celebrations around the ground were worth waiting for!! This week the girls play their first game at home and will be much better prepared after playing against a Division 1 side.

It is wonderful to see so many families at the club on Friday night - this is our intention. Please bear in mind that we need to look after the club rooms. For the past two weeks there has been an almighty clean up required including scraping chewing gum off furniture. I ask parents to be vigilant in this regard and look after our club and ensure that it is left in a clean and tidy state after we use it. The sporting club will not be open this Friday 28 April due to presentation night for the EBCC. I will be having discussions with a newly appointed chef to the club about providing meals for junior families from Friday 5 May. This will be listed in next week's record.

Good luck to all teams this week - Be loud, be proud and be respectful!

Go Rams!!!

Andy Worner  
President EBJFC

#### COACHES COMMENTS

First game for the Under 8's. A young group of boys being shown their positions three minutes before the start of a game, a game they had never played together as a group before, and to execute a performance beyond my and many other's expectations was just an incredible achievement!

The focus, concentration and attention to detail was extremely impressive. The moving of the ball from the backs to the forwards was seamless at times and it often appeared this was a season old team.

I look forward to seeing the same intensity in weeks ahead - this team has an exceptional amount of talent. Luke and I have a great deal of work ahead of us to grow and nurture these great skills before us.

Thank you to all the parents who got involved in the various roles on the day - your help was invaluable to me, especially being our first game where we were all figuring out what was going on and what needed doing!

The boys can all be very proud of themselves – keep up the great work!

Go Rams!!!

#### COACHES COMMENTS

We ventured out to Mitcham on Sunday to play the Tigers. With goals going 4-0 our way in the first quarter we were well on top. I felt like we were the better team for 3/4 quarters, and the result probably would have reflected this ( If we scored of course!!! ). The boys played really well and linked up with some really good teamwork throughout the game. There is some really good young players amongst this group and I'm looking forward to working with them for the remainder of the season.

Congratulations to Justin Bulzomi who was awarded the ANZAC medal for the best player on the ground by the Mitcham Coaches.

#### COACHES COMMENTS

What a difference a game makes, this week we were switched on from the first bounce and all players contributed from the first siren to the last siren.

Some examples of things the players did extremely well and should be proud of were all the team related actions; shepherding, handball to players in better position, talking, knocking the ball to our advantage, second efforts and defensive pressure.

All the players listened at training, to their instructions prior to and during the match. This contributed to the much improved performance by all players.

A huge thanks to our large, passionate and positive crowd who added that little bit extra to the players efforts and the fun they have.

This week a new game against Rowville and let's ensure we meet our team's expectations again. Go Rams

**COACHES COMMENTS**

With numerous players injured or not available we only had 16 available under 12 players. Fortunately, we were able to call on the mosquito brigade in Fin and Kai to not just fill a hole but do the job of a small forward; kick goals. Kai with one and Fin with two (if his Brother was kinder he could have had a couple more but, what's a big brother for?)

The leg speed and raking left foot of Noah was on display in his best game of Aussie Rules.

Coxy ran straight at the ball and was rewarded with another 'better player' acknowledgement.

The back six are heading into their third week and have been a great team amongst a team to be the main reason we are 2-0.

I was very impressed with the kicking from the boys, hitting targets with drop punts in lieu of slapping the ball on the boot. They are making a deliberate attempt at keeping the ball in our possession.

Brodie will be sorely missed for the next few weeks as he goes under the knife. He's a much loved lad, always with a smile, always gives 100% and we all wish him a speedy recovery.

**COACHES COMMENTS**

After a reasonably competitive first quarter our boys were over run by a hard running and very determined Heathmont team. Our backline and parts of the mid-field battled bravely but were ultimately overwhelmed by a desperate opposition. We proved in our first game that we can play in a lot more competitive fashion than what was displayed on Sunday. We will move on and look forward to next week's game where the focus will be on the basics of football; competing hard for the ball; putting extreme pressure on the opposition, tackling hard and keeping a tight check on the direct opponent. Training this week will be focused on these areas and we look forward to a more competitive result.

Unfortunately we were missing quite a few players this week for various reasons. We are very grateful to Josh and Aiden from the U/11 team who stepped up and filled in for us after playing a full game immediately beforehand. Thanks very much boys; great effort.

#### COACHES COMMENTS

We prepared ourselves for a much tougher game this week and one focus area was the discipline and responsibility that would be required in defence against a stronger opposition. It was great to see the boys respond so well to the challenge and work hard in the contests to defend and rebound on multiple occasions.

The team is also building a great culture based on the principles of outnumbering our opposition at contests, running hard into space, using strong voice and supporting each other at every opportunity.

Although every member of the team contributed to a great game and played their role, we had some specific highlights. Cal Joseph put in tremendous effort all day with strong running and marks around the ground. There was great defensive work and attack on the ball from players such as Harry Howlett, Dan Pugh and James Connell. Well done to Harry Begley who showed great composure and was versatile to play in defence and then up forward. Once again, Jaymie Kempson was presenting for marks and running hard to drive into the forward line, supported by Ben Krnic with great skills Will Roland with strong leads.

Well done to the entire team on a fantastic game.

### COACH'S COMMENTS

Although Joe was a relatively late starter to football he has worked hard on his skills and fitness to become a valuable and consistent player for the team. He has spent plenty of time on his kicking, marking and running to make himself a versatile footballer who can play forward, back and through the midfield.

His improvement and contribution to the team was recognised last year with the coach's award and his addition to the leadership group for 2017.

Joe loves his football and is always practising to further develop his skills and improve the impact he can make on the field.

### COACHES COMMENTS:

Our first game for the u/18 girls was certainly a learning experience. The scoreboard did not do justice to the girls effort and commitment to bring girls football to East Burwood. Playing against representative players, the first half was quite daunting with FTG scoring numerous goals seemingly at will. The second half saw the girls really commit with a last quarter that was truly memorable with Mel Kempson licking our first goal. This was the culmination of effort from a number of players up the field and clear instructions being followed - well done girls.

This week we play against Donvale at home and we certainly look forward to this fixture as on paper they are two evenly matched sides. Hopefully this week will bring the rewards.
