PRESIDENTS REPORT

Great night last Friday night - thanks to everyone who made the night fun and enjoyable. A special mention to Paul Weston who works tirelessly behind the scenes to make things happen. The wine and cheese night was his initiative and on behalf of everyone I would just like to say thank you Westy.

A huge congratulations to two of our U/17 players Seb Fernandez and Hannin Mundy. Both players have been selected to represent Victoria in the national U/16 carnival to be played later this year. This is an outstanding achievement and we sincerely wish both Seb and Hannin all the best as they train with this elite squad. More details to follow.

I would also like to acknowledge three of our U/14 boys who have been selected in the EFL representative side. Cal Joseph, Patrick Marks and Jamie Kempson will all play for the EFL U/14 team over the Queens Birthday long weekend. This is a very competitive process and it is little wonder the U/14 side is sitting on top of the ladder when we have the calibre of these players. Good luck to all of our boys.

This week marks the halfway point of the season. Our one and only fundraising event will be launched early next month and we urge families to get on board with this (I promise it wont be selling chocolates!!) We are trying many new things at the club this year and we are looking for your feedback. We will have a survey for you to complete later this season where we are hoping to evaluate what we do well and what we need to do better.

Good luck to all teams this week - "Be the hardest working person you can be - that's what separates yourself from the competition" Steph Curry

Go Rams!!!

Andy Worner
President EBJFC

COACHES COMMENTS

The under 8's round 6 winning ways this week started at training on Friday night. The boys worked extra hard on their kicking, handballing, marking, spoiling and contesting the loose ball. These improved skills were on display right from the get-go during a dominant display on Sunday morning.

During his coach addresses on Sunday Mark asked for the defenders to pick an opponent and stick to them. He asked for the midfielders to look for good forward options rather than taking a bounce and having a shot and he asked his forward line to link up especially by hand in order to find the best shot on goal.

With results like these the under 8's are getting some great practice at singing the East Burwood Rams Club Song. Go Rams!

EBFC BEST PLAYERS ON THE DAY

COACHES COMMENTS

Our team played South Belgrave at home who were the winners of the lightning premiership 2 weeks ago. Discipline was The Rams focus, trying to run to space and be tight on their tall forward line players. We managed to win the ball out of the middle with Zach tapping the ball to Joshy Smith who played a great game. He drove the ball long with some great kicks and took a mark running back with the flight with his eyes on the ball. His partner in crime Nath McHugh played his usual gutsy game and laid a brilliant shepherd to protect his team mate.

Sammy Sell played his best game for the year using his pace beating Belgrave to the ball. His kicks were hitting the target. Great work Sammy.

Caitlin showed her skills kicking a great goal and tried hard all day at CHF. The only disappointment was her subdued celebration with not a cartwheel in sight. Maybe next week Caitlin?

Angus was using his pace running hard on the wing and was a very good player all day. Tommy Lane also ran the ball well out of the backline using his big left foot kicks to our advantage.

It was a brilliant team effort with certain players given jobs to man up and stay in their position even though Belgrave flooded our forward line. It was congested and hard to kick goals but the vision of Jake Soddu to kick to the center to open up the play just shows we are all learning and improving every week.

As you know the scores aren't kept but our resident mathematician Tommy Lane had us winning by a point. It was a very pleasing result.

COACHES COMMENTS

The game against Mooroolbark on Sunday displayed the continued improvement in our inexperienced team. Last week against Boronia we finished off the game really well and Friday night's training was also very good. This form was taken into the first quarter against Mooroolbark and the team played its best quarter of the year. We dominated the quarter and every player was extremely committed to going for the ball, running hard, applying pressure, tackling and providing support and options for team mates. Our backline was played extremely tight, our midfield continually won the ball and drove it into a hard working forward line with players creating options, space and scoring opportunities. The result was that the ball was in our forward line for most of the quarter and we kicked 2 goals whilst restricting our opponents to only one point.

The second quarter saw the game flipped on its head completely. All the great team work and effort on display in the first quarter went missing and it was Mooroolbark that was running hard and applying immense pressure. The result was a 6 goal blitz that saw us go into half time 4 goals behind.

The team was asked to think about all the great stuff they did in the 1st quarter and try and channel that into a strong 3rd quarter effort to try and get back into the game. By this stage Mooroolbark was in the groove but to our team's credit they fought back really hard and showed some real character by playing much better in this quarter. We restricted the flow of goals and also managed to score another ourselves. The final quarter saw another step up in performance from the team. Mooroolbark kicked the first 2 goals of the quarter but our team kept fighting and never at any stage gave up. We kicked the last 2 goals of the game to go down by 32 points.

So, similar to last week, it was just one off quarter that was the difference in the game. Outside of that one quarter we outscored the opposition. But football is a 4 quarter game so that that is the next step for our team; to put it together for 4 quarters. We are not far away at all. It was really pleasing to see the kids hit back hard in the second half after the tough second quarter. It displayed great character and showed that the team is really keen on improving and developing. Well done to the whole team and congratulations to Will Hemsley and Alexander Klidomitis who both kicked their first goals!

This week we return to East Burwood after 2 games away to face Coldstream. This will be a great challenge for the team but if they can display the same effort and attitude from the past 2 games then there is no doubt they are up to it.

COACHES COMMENTS

The team has performed tremendously well for the first 5 rounds to be undefeated and full of confidence. Of course, when you are in this position other teams become very focussed and keen to knock you off the top. That was exactly what Lilydale looked determined to do on Sunday and they showed a willingness to run hard in numbers, play in front and frequently pump the ball into their forward line. They achieved many more scoring opportunities than our side in the first half and we were fortunate they didn't capitalise on the scoreboard.

This was the first big opportunity for our team to reset at half time and focus on the basics of desire and determination to force the play to our advantage. To the boys credit they increased their effort against a Lilydale side that was never going to give up. The team played a much better 2nd half but the opposition also lifted and started to convert their own scoring opportunities and it became a battle to maintain a slight lead for the remainder of the game. To the boys credit they kept their composure under constant pressure and continued to defend vigorously and score some very exciting goals in the final term.

It was a great example of how a team can find a way to win even if they aren't performing to the level they are accustomed to. It was also an opportunity for a wider range of players to influence the result through their hard work and effort. Everyone needed to pitch in to pull the side across the line but the game was a great learning experience to never underestimate an opponent.

COACHES COMMENTS

Another good win by the boys on the weekend against the Basin.

We had a blistering opening quarter to the game kicking a few unanswered goals after a very delayed start. The game then became congested as the quarters went on and we weren't able to clear the packs and open up the game. This was caused in part by our own poor delivery across the board by either foot or hand.

We had 2 key areas of focus this week.

Maintaining possession out of the backline from kick ins and moving/switching the ball quickly creating space on the wider flanks. I thought we were excellent in achieving this with great spread across the backline at every opportunity. Only skill errors at times let us down by not hitting targets. The advantage however was the ball was kicked into space so we could run onto it and clear.

Secondly we were conscious of lifting the eyes and hitting the forward line down the centre corridor and not deep in the pockets. We transitioned the ball well on several sets with the forwards leading straight out and taking marks 35/40m out in front of goal. A couple of the boys had the yips and we didn't kick away on the scoreboard as much as we would have could have.

Fortunately, even an ugly win is a good win. Well done and we regroup for next week.

Go Rams !!!!!

COACHES COMMENTS.:

Not the best game from the girls this week. Playing against Vermont we were probably beaten to the ball by a team who were most desperate to win than we were. A few costly turnovers was probably the difference at the end of the day but to the girls credit they are improving each week.

We need to get to training and practice kicking skills so that we are able to put the ball to the advantage of our team mates. It is great working with the girls and every week Emily Mutimer comes out with some classic one line comments!! Always entertaining and enjoyable!

Congratulations to Maraed on kicking her first goal in football.
