PRESIDENTS REPORT

Last weekend was a mixed bag both on and off the field. Some excellent results with our U/18 girls, U/10 team and U/17 teams recording really impressive results. Well done to all these teams but this week I would really like to highlight the work of the U/12 Black and Under 14 teams. In really trying circumstances both teams performed so well under a great deal of duress. Players, parents and coaches kept a cool head and I thank and applaud everyone for this.

I spent a great deal of time this week on the phone to the EFL and it seems spectator behavior is a real issue at the moment. Please remember that every player/ official out there is learning the game and they need help. I am really pleased to speak of the responsibility and restraint shown by all of our supporters. I know at times this is not easy particularly when a poor decision is made or frustrated player lashes out. There are mechanisms in place to voice your concerns so please speak calmly to your Team Manager who will deal the situation. I know this is hard but please continue to show respect to all players and officials. East Burwood have a wonderful name in this regard and I am keen to see this continue. If you can't be positive, at least be quiet.

Thanks for all the support shown for the events this year - as I write this report the plan is to have the cinema night this week, The weather looks good and we will not be beaten!!!! There will be no record or report next week due to the Queens Birthday bye. I hope you all enjoy this as much I do!!

Have a great weekend everyone.

Go Rams!!!

Andy Worner

President EBJFC

EBFC BEST PLAYERS ON THE DAY

Lyla Rowe	Cale Hammersbach	Oscar Maddison

COACHES COMMENTS

On another beautiful day for football we came up against a very skillful side who had some very big kids. This didn't stop the Rams playing some great footy Lead by our best player on the day Lyla Rowe. Lyla lead the way getting into the packs, running with the ball and kicking an awesome goal.

Cale also showed his skills in the ruck and around the ground tapping the ball to the rovers. His marking and kick were great.

After playing in the back line for several weeks it was Oscar Maddison's turn to have a run in the ruck. I was very pleased to see him running around following the play. Oscar is improving every week and it won't be long till he kicks a goal.

Some of our ball movement was unbelievable. It's very pleasing to see the things we practice at training are starting to happen in games. Another great team effort RAMS

COACHES COMMENTS

Played an undermanned Kilsyth team at home, and i would like to thank all the players who went across and helped them out on the day.

Well we started the game with a bang full of running, good ball movement, and great team play, and we kept it up for 4 quarters which was pleasing to see.

But the test comes this week against a very good Blackburn team.

COACHES COMMENTS

Coming up against the top team this week, the boys gave it their all – outplaying Donvale in the 1st quarter, getting 1st use of the ball, putting forward pressure on and keeping the ball in our half of the ground for most of the quarter. When the ball did go into Donvale's forwardline, our defence was too strong and we were able to rebound and create more forward movements.

The wind picked up in the 2nd quarter and Donvale used that to their advantage with some long kicking into their forward line, taking some strong marks and making the most of their opportunities.

We kept Donvale scoreless in the 3rd, but we were unable to hit the scoreboard ourselves, with some solid tackling and pressure on the ball.

The boys battled hard in the last, but again, with the aid of strong wind – Donvale kicked away.

COACHES COMMENTS

Even though we didn't come away with a win our team had its best 4 quarter performance of the year on Sunday. Our opponent Coldstream has proven to be a very strong team over the past couple of years. Last year they made the preliminary final and so far this year they remain undefeated. In what was a top performance we pushed them all the way and the 4 goal margin was not truly reflective of the closeness of the contest.

The game started with Coldstream quite dominant from the first bounce and it only took a couple of minutes for them to score the first goal. Earlier this season this may have led to an opening of the floodgates but to show the improvement our team has made our players fought back hard and it wasn't long before we scored our first goal to even it up. We matched the opposition for the rest of the quarter and scores remained tied at ¼ time.

It was more of the same in the second quarter although Coldstream slowly got on top and managed to score a couple of goals late. We had opportunities but couldn't convert so Coldstream took an 11 point lead into the main break. In the 3rd quarter Coldstream had more of the play but our midfielders and backline players defended tremendously and forced the opposition into rushed shots at goal which resulted in them only scoring points.

At ¾ time we were only 16 points behind and our players had great belief that we were still in the game. Coldstream started the last quarter strongly and kicked an early goal. After that we started to get on top and the ball was in our forward line a lot of the time. We managed to kick another goal and had opportunities for more but a combination of strong defending by our opponents and errors from us meant that we could only kick 1.1 for the quarter.

This performance against an unbeaten side should give us some confidence for the rest of the season. We know we have a tough battle ahead but the kids are giving it their absolute best and that's all that can be asked. We are getting better each week and are not far away. We have been focusing on maintaining pressure on the opposition at all times by chasing, harassing, tackling and being first to the ball and we are seeing improvement in these areas as each game passes.

Once again we had quite a few players missing this week so it was great to welcome Tom Petrowski from the U/11 team and Isaac Ly from the U/10 team to fill in for us. Both boys slotted into the team very well and were great contributors. Thanks boys!

COACHES COMMENTS

It's great reward for effort considering the amount of changes to the line up we've had each week for varying reasons!!

Again our backline stood firm and continues to improve each week. Our ability to apply pressure on every entry and clear the ball cleanly will be critical come the pointy end of the season. We must continue to take chances with run and spread as this coming week will prove when challenge a better side.

Our midfield work rate was great pushing back when required providing multiple forward entries from contested possessions. The major area of review was our inability at times to hit up targets in the forward line. We were bombing the ball in on too many occasions relying on a big contested mark rather than lowering the eyes and spotting up our forwards. The other point we have dwelled on is kicking the 'hot spot' and not deep into the pockets. Yes Evan kicked a brilliant goal (it was never in doubt) but as a team the percentages are greater if we can take a clear mark out front or create a contest with opportunity to score.

Our wings continue to work hard and have a vital influence on the game. They are our link from the backline to the forwards hence the requirement for a huge work rate and rotations through this area. Some really good defensive covering at stoppages and penetrating kicks into attack were a highlight.

Our 3 key forwards were out this week but we still managed to kick a winning score. We need to keep focusing on providing a more structured entry in giving the forwards more opportunities for cleaner deliveries.

We have our biggest challenge coming this week. We play the Rowville Knights who look like prolific goal scorers and have a rock solid defence. They are the competition leaders and we intend to have a big crack at them with the best side we can put on the park. As said, if you are coming back from injury we expect that you can fully train both nights this week as selection will be tough due to the high numbers we have.

Get up and about at training ready to bring our A game. No excuses this week.....we'll see whether we are in the ball park or in the carpark !!!!!

And big thanks to 'H' for all his efforts for both for us and the junior club. Enjoy your 5 weeks holidays to Greece and please make sure Evan doesn't come back looking like Bougatsa

Well done lads!! Go Rams !!!!!

COACHES COMMENTS.:

What a wonderful turnaround from last week for our girls!

A 13 goal win was just what the coach was after and truly showed the improvement in our team over the past few weeks. Charlotte Kinsella was simply amazing as she racked up clearance after clearance - much to the annoyance of the opposition! Charlotte showed that with determination and a lot of hard work we are capable of beating any opposition.

It was wonderful to see girls trying new positions and in most cases excelling. Six goals in any game is a real credit so well done Maraed! There were a host of good players and our tackling was clearly better than previous weeks. It was great to hear the girls belt out the club song with gusto - go girls!!!
