COACHES COMMENTS

Minus head-coach Mark and a few players away for the school holiday period the under 8's took on the Vermont Purple team. The boys unfortunately started slowly and did not make the most of the strong breeze they were kicking with. The Vermont team despite kicking into the breeze were quick out of the blocks and skipped away to a decent lead at quarter time. At the quarter time break fill-in coach Dan asked the boys to dig in and man up better in defence. The response by the boys was terrific as they held up a red-hot opponent who were kicking with the breeze in the second quarter. They stopped the goals and took the momentum away from Vermont.

As is so often the case the Rams made their move in the third quarter and some strong marking and long kicking helped them claw their way back into the contest. The task ahead of the under 8's in the last quarter was always going to be hard, having to come from behind without last use of the breeze. Despite this they broke even with Vermont after kicking the first goal of the last term and looked the goods. Vermont however kicked some steady goals and won the day.

This was by far the highest skilled contest of the season thus far and the boys gave a great account of themselves. Vermont's ability to mark the footy under pressure was one skill area that we may be able to learn from and improve at training. I'm sure the boys will work extra hard at training this week so they can once again sing the song next Sunday. Go Rams!

COACHES COMMENTS

Heading out to South Croydon – the boys were confident of getting the points – as South Croydon haven't managed a win all season – and are clearly in the wrong division.

With that said – the 1st half was a real slog-fest, with stoppage after stoppage and a rolling maul of around 20 kids following the ball. The pressure from both teams was high, making it difficult to get the ball out of packs and into open space. Again our defence stood strong keeping them scoreless, but at the same time – we were unable to get a major on the board either. This could have been a mid school holiday slump??

After a solid rev-up at half time, with focus on decision making when we have the ball – the boys came out determined to get a good lead – with much improved ball use – handballing out of the tight packs – we were able to kick 3 goals.

The same plan in the last quarter helped us get another major – and again our defence stood strong – keeping South Croydon scoreless for the entire game.

Well done boys!!

COACHES COMMENTS

We fielded an undermanned team again this week but had a great tussle against Bayswater. As can be seen by the scores there was barely a kick in it all day.

There was a definite scoring advantage at one end of the ground and we had the benefit of this in the first quarter. We started very well and had the first goal on the board. Our kids worked really hard and we had some other opportunities but couldn't add more goals. Bayswater was playing well and managed to get a couple of forward entries for a goal to peg the margin back to only 2 points at ¼ time.

The first half of the second quarter saw our concentration and pressure lapse a little bit. Bayswater was able to take advantage of this and were well on top in this period scoring a couple of early goals. To our team's credit we fought back hard in the latter part of the quarter to score a goal and go into half time only 5 points down.

The 3rd quarter was our best of the game. Our backline defended strongly, our midfield ran hard and our forward line was open with our players playing in front. This resulted in us scoring two great running goals and we also held Bayswater goalless. We turned a 5 point deficit into a 5 point lead at ¾ time.

We knew the last quarter would be tough and that Bayswater would come at us with the aid of the breeze. However our kids were up for the challenge. We started well and held them at bay. However unfortunate injuries to 2 of our players meant they could not take part in the game from early in the last quarter. As we only had one player on the bench it meant we played most of the last quarter a player short. We battled very hard for the rest of the game and it was only late in the game where Bayswater was able to kick a couple of goals and get on top to win by 9 points.

Everyone at the club should be extremely proud of how this team performed this week. We had a lot of players missing and it was a superb effort under the circumstances; probably just as good as the big win against Montrose a couple of weeks ago. Bayswater has had a good season and is sitting just outside the top 5.

Due to the numbers we asked 3 of our under 10 kids to fill in for us this week. Isaac, Cameron and Sam played for us and all performed magnificently. It is a huge effort to play 2 levels up from your normal age group against older kids and they handled it very well. It was a pleasure to have them play with us; well done boys!

Overall it was a really great effort from our team. Although wins have been scarce the improvement from early in the season is there for all to see and that is what matters. If we continue in this manner we can rack up another win before the season ends. Excellent effort kids!

COACHES COMMENTS

It was another hard day on the road out at Lilydale against a team that were a tough match up for us last time. In order to get the team back on track we spent time training last week to improve our tackling to be low and hard with our technique to avoid giving away free kicks and we also prepared for the contest with more physical work in our pre game routine.

The game was evenly poised at half time and we had a slight lead to take us into the second half but unfortunately we allowed too many loose players to get away from us in the 3rd quarter and Lilydale move the ball forward on too many occasion without enough pressure from our boys.

We hit back in the last quarter with a number of goals but we weren't able to stop our opposition from moving the ball freely to create their own scoring opportunities. We had some great examples of individual players tackling well and competing hard for the contest but we need to expand that intensity to the entire team, particularly when we are under pressure in defence.

We still need to work on our work around the ground when our opponent wins the ball and we also need to work harder to give each other time and space to kick to a target rather disposing of the ball under pressure to cause a turnover. Some improvement in these areas will have the boys return to their best football and I'm sure they will train well in the next couple of weeks to achieve this.

COACHES COMMENTS

A fantastic result for the boys on the weekend which set a solid platform as we finish off the season over the next 2 weeks and head into the finals.

It was a great reward for effort.....

We started the game well early on but didn't capitalise on the score board. Subsequently Knox got a bit of momentum and confidence then controlled the rest of the quarter with strength in the air and run around the ground.

After reassessing our effort and commitment we came out and completely dominated the game with an 8 goal quarter despite some heavy attention to some of our players.

We were tested in the 3rd quarter but again stuck to our game plan and finished the game off strongly.

As said...never doubt what we are capable of when we are determined and focused !!!

Looking forward to the next couple of weeks!!!!

Make sure you get down to training !!!!!!!!!!!

Go Rams!!
