

East Burwood Junior Football Club

Round 4 - Wrap Up

9th May 2018

Presidents Report

It was great to see so many families up at the club on Friday night enjoying the friendships they have made at East Burwood Football Club.

Saturday night following a huge win for the reserves and seniors was the Senior clubs \$5k reverse draw, what a great night that was and thank you to the families, especially the U8 families that purchased a ticket and came along. I think there may have been a few sore heads on Sunday morning at the early matches.

It was great to see a couple of our teams have a win on Sunday and I was lucky enough to see a lot of the different teams plays on Sunday. A huge congratulations to the 3 U11 boys, Finn, Kai and Isacc on playing their 50 games at East Burwood along with a win in their game. Pictures and profiles below.

Re-grading has occurred this week from the EFL and I understand there may be some disappointment from some families/players that their teams have not been downgraded, however the club did approach the EFL about what we thought the teams should be playing in and the final decision was out of our hands.

Currently the EFL have only put out the draw for Round 5 and as soon as we have further information about the remainder of the season we will let everyone know.

Please note there will be no games played on the long weekend of the 10th June.

The only team that has been changed is our U17 team that has been moved from A grade to Premier, I know the coaching staff of this team have put in extreme amounts of effort to recruit players into this team who started round one with only 16 players registered.

We are still looking for U15 players and if anyone is aware of any players in this age group that would like to join East Burwood, please don't hesitate to speak with myself or the U15 coach Michael Petrowski about this.

Our next main event coming up is Bogan Bingo night on the 16th June, tickets are available to purchase through the clubs website.

This coming Sunday is Mothers Day and we would like to wish all of the Mums at our club a wonderful Mothers Day.

Good Luck to all teams playing this weekend, GO RAMS!

Coaches Comments: This week the Under 9s had an away game at Heathmont. Following a strong performance the week before at the Lightning Premiership, this week the Coaches challenged the boys to go back to the basics, including; Focus on skills & technique, hold positions and lines on the field and share the ball with your teammates.

Its fair to say the boys the followed the coaches instructions 100% and what followed was probably the boys best game so far. Through using good skills and supporting teammates the boys were able to score 15 goals for the match which was an amazing effort. It was even more pleasing to see 11 of the goals come from the permanent forwards. The supply through the mid field was brilliant which started with great ruck work and lots of link up work coming out of the back line.

Individually there were some fantastic efforts but overall it was the great team play which enabled the boys to have such a great game. Go RAMs.

Best on Ground: C. Busch, J. Jones, G. Bisbal, S. Mackie, J. Shaw			

Coaches Comments: Another away game saw us playing East Ringwood at Glen Park. Once again the boys toiled hard for the first 3 QTRS, then really stepped it up in the last and had the ball locked in the forward line the whole qtr. With so much congestion in our forward line we just couldn't get a clean shot on goal late and fell short again. Our first 3 losses have been by a combined total of 18 points, so we are very close to getting reward for effort!! Stick at it boys, we are not far away!!!

Under 10E (White Team)

Goal Kickers: G. Brando – 1, B. Sinclair – 1, Z. Ireland – 1, M. Kelly -1			
Best on Ground: Georgia Brando, Ben Sinclair, Max Kelly, Eli Firinauskas, Josh Smith			

Coaches Comments: The Under 10 Whites were at home against Nth Ringwood after 3 weeks of away games. With a large throng of supporters cheering on the Rams, the game started with lots of run and goals aplenty to both sides. Playing her first game on the ball Georgia Brando snuck forward to score not only our sides first goal of the game but also her first goal in footy. Well done Georgia! With our defence holding up bravely against a strong Nth. Ringwood attack, Zach Ireland scored a late goal to keep things fairly even.

Both side kept attacking in the second quarter with Ben Sinclair scoring quickly after the start, but eventually Nth Ringwood got on top by keeping the ball in there forward half and scoring at regular intervals.

After the break the kids really made an effort in defence to play on their opposition which payed off by shutting down any scoring opportunities for Nth Ringwood. Even though The rams had plenty of the ball, they found it quite difficult to score.

The game opened up again in the fourth quarter. Big Max Kelly goaled early to give us a chance but Nth Ringwood with their extra run and size ran out comfortable winners in the end

Great effort people, We're getting closer each week. Go Rams

Goal Kickers C. Schreiber – 1, D. Rossi – 1, T. Petrowski - 1			
Best on Ground: Cameron S, Tommy P, Will R, Daniel Rossi, Jonty S, Darcy W			

Coaches Comments: On Sunday we were up against a very competitive Mooroolbark outfit.

We were getting on top at clearances after the first 5 minutes of the first quarter which meant we could move the ball forward to create scoring opportunities. We asked the boys to be brave and try using the space by switching play, which unfortunately allowed the opposition to score, but we were giving it a go which is pleasing.

The second and third quarter saw very congested football with several players around the contests which didn't allow any free flowing football. To our boys credit we kept attacking each contest and putting plenty of pressure on the opposition, not letting any easy kicks or handballs. Big efforts from Devan, Jonty, Brayden and our captain Goldie saw us rebound the footy out of defence back into the midfield/forward.

With only 5 points being the difference at 3 qtr time, The boys lifted all around the ground with lots of handball from congestion to open players and a strong half back line saw us continually push the footy into our forward line creating scoring opportunities. With lots of 2nd and 3rd efforts we managed to kick a goal care of Tommy P, to create a bit of breathing room which was enough to get a great result.

Goal Kickers: K. Cook – 2, C. Garlick – 1, O. Brando - 1			
Best on Ground: S. Crack, B. Raymer, L. O'Neill, R. Mullavey, B. Canavan, A. McLean, K. Cook			

Coaches Comments: This week we travelled to play a very tall Wantirna South side which was coming off 2 very strong wins. Once again we started the game in good fashion by winning the centre clearances and making use of our superior pace on a very big ground. We kicked the first goal of the match and whilst our opponents kicked the next 2 goals it was an even first quarter and we were a goal down at quarter time. In the second quarter the size of our opponents started to tell and they managed to take some strong marks. We were still battling hard but things weren't falling our way. This continued in the 3rd quarter but we still had our share of the play and kicked another goal from a great passage of play where we ran the ball from the backline hitting 3 or 4 targets in succession. We did finish the game full of running and matched the opposition in the last quarter to kick a couple of very nice goals from great teamwork. In the end it's fair to say the scoreboard was not a true reflection of the game. This was a very competitive effort against what is a pretty strong side. There is no doubt we are getting fitter as evidenced by our last quarter and we are certainly starting to use the ball to our advantage more often. Overall there were a lot of positive signs from this match and it really gives us something to build on for the rest of the season.

Under 15A

East Ringwood Blue	33	20	218

Coaches Comments: This was a very difficult match for the team as we played with only 17 boys against last year's A grade runners up and certainly one of the strongest teams in the division this year. As a result we were unable to match up against our opponents effectively and we also suffered another significant injury to end up with only 16 players on the field. This game was not a reflection of the team's actual ability and the opposing coach complimented our team on our efforts for the 4 quarters despite our predicament. The team will regroup and continue to train hard as we look forward to the return of a couple of players from injury to boost our performance.
