Coaches Comments: This week the Under 9s had an away game against Glen Waverley. Following a tough game the previous week the boys were fully focused on “desperation” as the theme for the game. It was great to see the boys follow out the theme and they showed lots of desperation, giving their best to win every contest. It was pleasing to see the boys enjoy the contest and work hard to help their team mates. The conditions for the game were quite blustery which didn’t help our accuracy at goal, this again will be learning for the boys and we will look to practice this more at training. The game continued to be close all the way to the final siren and Glen Waverley’s good skills put a lot of pressure on us. However the boys never gave up and battled out to the final siren to end up with a draw, a fitting result for a tight contest. This week at training we will continue to work on our skills to ensure we continue to get better every week.

Best on Ground: J. Soddu, M. Alamin, L. Rowe, E. Firinauskas, F. Waring Jones, G. Brando, O. Wright			

Coaches Comments: The Whites were at for home for the second time this year and were up against a strong Knox.

The first quarter started fantastically for the whites with lots of on ball pressure from our midfield crew, Malik Alamin and Georgia Brando had outstanding first half, which helped keep the ball in our forward half for the term. However, for all our attacking movement we failed to put the score on the board.

The second quarter stated the same as the first with a lot of footy played in our forward half, including a fantastic chain of handballs between Angus and Sam around the forward pocket boundary eventually resulting in a great goal to Oscar Wright to help put us up by three points at half time. In addition, It is worth noting that our defence had not given up a goal in two and a half games. Great work kids.

After half time, the game changed quite dramatically with Knox really putting on the pressure around the ball and on the scoreboard. Despite the efforts displayed by all our defensive players Knox ran out easy winners in the end. It should be noted our first half of football was some of the best I have seen from this side this year against a very good opposition. With a little more consistently and concentration we can carry this first half form through to next week.

Best on Ground: J. Sinclair, J. Goldie, C. Schreiber, D. La Fontaine, B. Dillon, A. Hicks, T. Placella			

Coaches Comments: A beautiful day at Rams Stadium saw us get jumped in the first quarter by a switched on opposition. After a great session with Malcolm Bangs on Friday night, the tackling skills were outstanding from the get go. Kicking against the breeze we struggled to move the ball out of defence fluently which allowed Ferntree Gully multiple scoring opportunities.

We reminded the boys at quarter time of the team objectives for the game with workrate and teamwork, and boy didn't they show it. Jonty's second and third efforts along with running 15 metres to shepherd teammates, Our Captain Coops leadership by setting an example of teamwork and Thomas Placella's calm head at half back allowing run and carry by Bailey Dillon to give our forwards more and more opportunities.

At half time the coaches asked the boys to start linking by handball instead of getting quick kicks out of congestion. Aaron Hicks was dominant at the centre bounce and Devan La Fontaine was winning every ruck around the ground hitting our rovers on the chest. But it was our midfielders linking with handball out of the centre giving the forwards plenty of options to hit the scoreboard. It was our best quarter of footy for the year and has showed us what the team is capable of. A shout out to Josh Goldie who keeps working tirelessly in every position we put him in and keeps setting the bar higher each week. The game was ended abruptly with a misfortunate friendly fire incident to the opposition player halfway through the third quarter, we all wish him and his family a speedy recovery and hope all is well.

Well Done Boys, a great team effort.

Goal Kickers: K. Cook - 1			
Best on Ground: L. O'Neill, C. Raymer, K. Cook, B. Gibbons, J. Donlon, H. Michelmore, B. Canavan, C. Garlick			

Coaches Comments: What a great performance by our team on Sunday. We played The Knights who have some seriously big boys and they can really play. However our team put up our best performance of the season to date and the game was extremely even throughout. Overall we were so much smaller in stature than our opponents but what we lacked in size we made up for in heart and courage. We really took it up to them as can be seen by the fact that we had 10 scoring shots to 11. This is the closest differential in scoring shots we have had all season and shows the improvement we have made. Yes the accuracy wasn't there but it was a very tricky wind and our opponents had trouble with accuracy as well. A few of our shots barely missed and with a bit more luck we could have had a different result. The Knights have had some good results this year including a win over the top side Glen Waverley Rovers so for us to match them in just about every facet of the game was very pleasing. Our intensity and tackling was excellent. We had a good contribution from all our players and in the end it was just the size and class of some of their bigger players that got them the result. We think we can really build on this now and a win is not too far away. A bit more improvement in our ball use will stand us in good stead as we take on a couple of winnable games starting with Croydon this week. Well done kids you should be very proud of your effort. Let's see if we can build on that this week and get a great result against Croydon. Go Rams.

Auction Night Saturday 21st July

To all Families at East Burwood Junior Football Club,

As you may be aware, our major fundraiser is quickly approaching- the East Burwood Football Club Auction Night!
(Date has been confirmed: 21st July)

This event is our MAJOR fundraiser for the year- for both the Senior and Junior Football Clubs.

For this reason- we are asking all Junior teams to rally together and gather donations and items for our clubs AUCTION NIGHT.

We are looking for major items, big items, small items, items we can put together to make hampers with. Every item whether it's big or small, all contributes to monies raised for the Junior Club.

Every parent or family knows someone who owns a business who could donate an item, or a family member who could donate a voucher, or maybe a neighbour who could donate tickets to an event, a friend who could donate trade services..... the possibility's are endless, everyone knows someone who could donate something- all you have to do is ask!

So Mums ask your- hairdresser, nail technician, beautician, house cleaner, kids sports coaches, your local theatre, local bounce, local pool..... they just might donate something.

Dads ask your, landscaper, gardener, lawn mowing service, dog washer, car washer, golf club....

If we could aim for each family bringing in 1 donation to contribute- this would be amazing and mean more monies raised for the Junior Football Club and it would go directly to our Sons and Daughters football careers.

Please put your thinking caps on - WORK AS A TEAM, and start sprooking and gathering!

All items can be given to your team mangers, along with details attached (description of item, donated by, team gathered by, rrp, etc). Please ensure all donations are given to your team managers by Tuesday 17th July.

GOOD LUCK and we hope to see you all at the Auction Night,

John White & Alana Stewart
