Presidents Report

Its getting to the end of the season with only 1 more round to play, at this stage it looks like our U12 team will be playing in finals and potentially our U17 team aswell. More information about finals games etc will be shared as they come through from the EFL. It would be fantastic to see as many of our players and families come along and cheer on our teams who make it to finals.

Team photos have been delivered back to the club and will be handed out to team managers on Friday night this week. If any families have any issues with their order please send me through an email so I can make contact with Gary Spark the photographer. Any queries that have come through have been emailed to the off for investigation and I will continue to chase these up for you.

Auction Night THIS SATURDAY NIGHT – This event is the clubs MAJOR fundraiser for the year.

If you have any items that you are donating to the Auction Night John White will be at the club this week from 6pm to collect these. There is still time to gather items for donation right up until the 20th July. Any queries please contact john white on johnwhite@fastmail.com.au. Tickets still available see event flyer below for details.

Collingwood Players Training Session - Still places left for this session at the moment we only have 11 children, you don't have to be a Collingwood fan to come along, what a great opportunity to get to train with some top AFL players on the 23rd July, I know this is the day after our season finished but this was our allocation for the year. We have places for 40 children to come along from our East Burwood Auskick, U8, U9, U10B, U10W teams. If you are wanting your child to attend this event please email me directly and let me know the names. We will also need a couple of coaches or parents to help out on this night. 5.30-6.30pm. If we don't have enough children wanting to attend I will need to cancel this visit. Please let me know by 19th July.

Junior club fundraising Raffles tickets – Each Team managers has 2 books to be sold to families of each team. If every family buys one ticket we will have sold all of our books.

Toyota back to Footy Raffle, each ticket is \$5.00 and all of the money raised from selling tickets goes directly to the club. Dan Cleary is running this so if there is any families out there that would like to grab a book to sell please see Dan or contact him on dan.cleary@gmail.com. All of these books need to be returned to the club on the 27th July, so they can be sent back in to go in the draw.

Coaches Comments: What a Game, What an effort by all the boys!

This week the Under 9s played away to Ferntree Gully. Ferntree Gully have been the benchmark of the competition and went into this round undefeated. Leading into the game the boys set themselves for the last 2 games to play as if they were finals, this mindset started on the training track on Friday night. Given FTG beat us earlier in the season we were very keen to beat them on this occasion.

The game itself was a very physical contest and the boys admirably held their own in the contest. From the very first bounce the boys were ferocious with their attack on the ball and efforts to win the contest. This intensity took Ferntree Gully by surprise and allowed the RAMs to get an early lead. The conditions were quite tricky with a strong breeze blowing but the boys adapted brilliantly. The most pleasing aspect of the match was the way the boys implemented all the coaches instructions and never gave up.

The last quarter was very tough as we had to kick into a strong breeze and after we managed an early goal the Ferntree Gully boys came very hard at us, it was a nail biting finish but we managed to hang on for a 1 point win. With such a strong team effort it was only fitting that all boys earned a best on ground award as it was a fantastic team effort. It goes without saying that the song was belted out with gusto after the match.

Well done boys, you made us all proud.

Looking forward to the last game and finishing on a high.

GO RAMS.

Goal Kickers: J. Soddu – 1, T. Lane – 1, O. Wright – 1, E. Firinauskas - 1			
Best on Ground: Tom Lane, Oscar Wright, Jake Soddu, Max Kelly, Nath McHugh, Eli Firinauskas			

Coaches Comments: The 10/W were finally back home against South Belgrave on a brisk windy Sunday morning and were not the parents happy about that.

The first quarter started well with end-to-end action but with both teams struggling to get past their half forward lines it took a moment of inspiration and fastball movement to put Tom Lane in the open and goal on the run to get the Rams on the board. Not much longer after that, Oscar Wright snapped a goal around his body to put us up by 12points at quarter time.

From the start of the second quarter, the game became very congested with most of the Sth Belgrave team following the ball it became extremely difficult for our midfield to achieve any real fastball movement. However, with some great defence and a little luck the Rams held a handy half time lead of 8 points.

The Second half of football was all about fast ball movement due to so many opposition players around the ball, all the kids did their part in trying to get the ball into the open and eventually a check side goal on the run to an inform Jake Soddu kept the Rams ahead at the break.

The final quarter was not exactly exciting footy but the Rams took their chances when they could. The on ballers tried hard and our defence stood strong when needed. Finally Eli goaled from close range near the end of the quarter to put the result beyond doubt. A final margin of 12 points did not really reflect the amount of concentration and discipline by our players to stick to their positions and rolls even when there was no opposition player near them.

Hopefully we can finish the season off next week with a win to cap off a great year.

Well done Rams!

Coaches Comments: With the boys solidifying their finals berth after last weeks win, we were using this week as a stepping stone for finals intensity. Playing a strong lilydale outfit our boys got a wake up call with lilydale kicking the first 3 goals of the game with a 3 goal breeze. The opposition were winning the clearances although Devan was clearly winning 95% of the ruck work. We were able to work our way back into the game by holding onto the footy and transitioning up the ground and hitting targets.

The 2nd Quarter was a tight tussle with East Burwood holding it in our forward half 90 % of the quarter. A few shot on goal but could not convert.

At halftime we asked the team to work hard and hold Lilydale to a few goals with pressure on the opposition and to lift our work rate. Our backline in Tommy P, Tom Placella, Clay and Daniel Rossi were incredible through out the whole game attacking the ball at every contest and beating their opponents.

There was a lot of belief in the playing group to finish off a great game with the breeze. The boys kept attacking and were working smarter than the opposition with our midfielders Angus, Devan, Aaron, Will R, Goldie and Bailey attacking the footy and using the wind to great effect by giving our forwards opportunities. A credit to the group for doing the team things by kicking to the hot spot and picking the ball up off the deck for reward on the scoreboard.

Well done to our 3 goal kickers in Jonty, Will R and Devan.

Jonty kicking our final goal 1 minute before the final siren to seal the match.

Great effort and contribution by every player on the park today

Well done boys

Coaches Comments: Fantastic effort from our kids against a Lilydale team fighting for a spot in the finals. It was a low scoring and tight affair with never more than a goal in it for the entire game. We started the first quarter very strongly and had the better of Lilydale. We had most of the play but couldn't transfer this to real scoreboard pressure. Still we held a one goal lead at quarter time. There is no doubt our opponents were surprised by our ferocity and they responded by ramping up the pressure in the second quarter. We were still competing well but Lilydale kicked a couple of goals to take a 1 goal lead into half time. We renewed our vigorous attack on the ball in the 3rd quarter and rewarded with 2 quick goals to take the lead back. We were playing exciting committed football and the kids and spectators alike were really enjoying it. Lilydale managed a late goal to edge ahead at ¾ time. The last quarter was very competitive and tense. We had a lot of possession and forward entries early in the quarter but could not capitalise. Lilydale's taller and stronger players started to influence the game later in the quarter to get them over the line by 6 points.

It was a wonderfully committed effort by our kids and the coaching team were extremely proud of the effort. It has been a tough season but the kids have stuck at it and shown great resilience to play some of the best footy of the season in the past few weeks. Let's keep that level of effort and commitment up and have another great game against the Knights in the last game of the season.

Well done and go Rams!

Coaches Comments: I was very proud of the effort and competitiveness the team displayed against 2nd place Lysterfield on Sunday. Once again, we had to start with 16 players again but we took the game to our opponents on many occasions and had a sensational 2nd term when we kicked 4 goals. It goes to show how determined the team have been to create scoring opportunities and create as much pressure on our opponents regardless of us being outnumbered. Our team was boosted when our U13 cavalry arrived before half time to give us some extra legs and we thank Callum, Henry, Nicholas and Bailey for showing great club spirit to help us out. We scored every quarter for a total of 7 goals and it was the 2nd week in a row where our team was complimented by the opposition coach on our desire and effort. The team has earned great respect in these adverse situations and we are proud to see them play out each game to the very end and show they can be competitive at the highest level.
