

Coaching Appointments 2019

The East Burwood football club are pleased to announce Jamie O'Shannassy as their u/19's coach for season 2019.

Jamie has worked closely with the current outgoing U/17's group for many years and played a major part in their success as they played finals each year in mostly the highest EFL grade.

He brings with him a great enthusiasm and knowledge of the game as well as a tight group that we feel sure will see the rams continue to improve their U/19's record and go on to represent the club at a higher level.

Welcome to the senior club Jamie.

Steve Worner

Senior President
