

East Burwood Football Club Inc

Dear Member & Supporter

Stuck for a Xmas present this year then why not consider a Rams 2019 Membership?

With a great 2018 season behind us and the promise of an even bigger 2019 season ahead this is the perfect gift for any Rams supporter.

We have already had great numbers on the track and with the influx of more new players the vibe around the place is fantastic.

Get down on a Monday or Wednesday training night to have a look

Last season was the start of the turn around of the club on the field and now we need to get our supporters back on board. **So please join up now** and show your support!!

Excitingly we have changed our 2019 Presidents package, adding even more value, while dropping the price.

This season our Presidents club membership will consist of:

- . **Entry to all home games**
- . **Entry to 2 functions Including the season launch and a club luncheon to be advised**
- . **Rams Polo with Presidents club logo**
- . **Afternoon tea at all home games**
- . **\$100 drink card valid at the beer both**

All of this for only \$500 single and \$800 with a partner

We also have added further benefits to our Ramrod package and Rams membership provides great value.

If you want to get more involved in the supporting the club you can lend us a helping hand be it in any volunteer capacity. It would greatly appreciated.

Together we will all make this club great again

David Bowen
