

East Burwood Junior Football Club

Round 7 - Wrap Up

2nd June 2019

Presidents Report

Wow who would have thought, half way through the season already and our teams are performing extremely well week in and week out.

As we head into the long weekend, just a reminder there is no training for any of the teams on Friday night, including Auskick and the club will not be open upstairs this week. All families heading off on a weekend away, please take care on the roads and stay safe.

On Monday 10th our club will be hosting the EFL interleague games starting at 12pm with the U14 2's boys followed by the U14 1's boys V's South Metro JFL starting at 2.00pm. If you are free and looking for something to do come on down and watch some of the local leagues compete against each other in this age group.

Next Friday night 14th June we have one of our wonderful sponsor Chantel from Holistic foot Clinic attending upstairs. If you have any concerns about your children and feet issues come along and say hello to her she will be more than happy to have a chat and provide you with some advice.

Friday 14th Dinner will be provide to all of the junior players by the Joker Jackpot crew, we will be having a Hot Dog and dim sim night. If your child has special dietary requirements please let me know prior to Friday so this can be organised.

If we could have 5-6 helpers from the U11 White team to serve dinner on this night that would be great.

Tickets are now available for our 80's Trivia night and it would be wonderful to try and get a table of parents from each of the teams for this night. More details in flyer below and email already sent out.

Lastly, over the last 4 weeks I have had to deal with quite a few complaints and issues surrounding players, officials and parent behaviour. I would like all families to speak with their children and be reminded that swearing, degrading and belittling other players, officials or other family members attending any game or training session will not be tolerated at East Burwood Football Club and it does not have a place in playing local football.

We all have a duty of care to any player, parent or official on or off the football field, whether it's as training or on game day. If you see or hear something that triggers a thought in your head of "That's NOT okay to be doing" speak up and let that person know or another club official know that their behaviour is not okay and as a club we will treat anyone like that.

No Training this week for any teams on Friday night and the Upstairs is not open this week.

Enjoy your long weekend, GO RAMS!

Libby Hadjiloukas - EBJFC President
